

» QUICK START GUIDE

Welcome to BÖHM Audio. Get started by pairing your BÖHM B-66 headphones with your smartphone or computer!

PAIRING INSTRUCTIONS

- 1** To begin, make sure your headphones are powered off.
- 2** Keep the headphones and the device within 3 feet of each other when pairing.
- 3** Put the headphones into pairing mode by pushing the Bluetooth (big multi function) button for up to 10 seconds until the LED light begins flashing red and blue.
- 4** Open the Bluetooth settings on your mobile device or any other device you are syncing with.
- 5** After a few seconds you will see the “Bohm B66” option appear on your phone or other device. Click on “Bohm B66” to pair your headphones with your device.
- 6** Enjoy!
